Re: Water Right No. G2-28449 for Jenn's Way Water System

Dear Mr. Christie:

In response to your request, you are hereby granted an extension to put the water to full beneficial use for the reasons below:

- The homes served by Jenn's Way Water System are not fully occupied.
- Changes in occupancy are expected that will result in increased water demand in the future.

The new deadline to submit your *Proof of Appropriation of Water* is **October 1, 2016**.

Your letter indicates that there are 8 parcels served by this water system and one is currently unoccupied. The annual quantity on this water right was intended for 12 service connections. Thus, your water system will not need the entire annual quantity of 6.0 acre-feet per year at full build-out. If all of Jenn's Way Water System's services are active when *Proof of Appropriation* is due in 2016, you must file your form at that time for the quantity of water that was applied to beneficial use.
